Mr. MILLER submitted the following resolution; which was referred to the Committee on Rules

FEBRUARY 10, 1965

Reported with an amendment, referred to the House Calendar, and ordered to be printed

[Omit the part struck through and insert the part printed in italic]

RESOLUTION

1 *Resolved*, That, effective from January 3, 1965, the
2 Committee on Science and Astronautics, acting as a whole
3 or by subcommittee, is authorized to conduct full and com-
4 plete studies and investigations and make inquiries with
5 respect to any matter or matters in or related to the fields
6 of astronomical research and development (including re-
7 sources, personnel, equipment, and facilities), outer space
8 (including exploration and control thereof, and air and space
9 law), and other scientific research and development (in-
10 cluding international scientific cooperation) coming within
11 the jurisdiction of such committee: *Provided*, That the com-
12 mittee shall not undertake any investigation of any subject

1 which is being investigated by any other committee of the
2 House.

3 For the purpose of carrying out this resolution the com-
4 mittee or subcommittee is authorized to sit and act within
5 or without the United States, during the present Congress,
6 whether the House has recessed, or has adjourned, to hold
7 such hearings, and to require, by subpoena or otherwise, the
8 attendance and testimony of such witnesses and the produc-
9 tion of such books, records, correspondence, memorandums,
10 papers, and documents, as it deems necessary. Subpenas
11 may be issued under the signature of the chairman of the
12 committee or any member of the committee designated by
13 him, and may be served by any person designated by such
14 chairman or member. The chairman of the committee or
15 any member designated by him may administer oaths or
16 affirmations to witnesses.

17 The committee shall report to the House as soon as
18 practicable during the present Congress the results of its
19 studies, investigations, and inquiries, together with such
20 recommendations as it deems advisable. Any such report
21 which is made when the House is not in session shall be filed
22 with the Clerk of the House.

23 Notwithstanding section 1754 of title 22, United States
24 Code, or any other provision of law, local currencies owned
25 by the United States shall be made available to the Com-

1 mittee on Science and Astronautics of the House of Repre-
2 sentatives and employees engaged in carrying out their
3 official duties under section 190 (d) of title 2, United States
4 Code: *Provided, (1) That no member or employee of said*
5 *committee shall receive or expend local currencies for sub-*
6 *sistence an amount in excess of the maximum per diem rates*
7 *approved for oversea travel as set forth in the Standardized*
8 *Government Travel Regulations, as revised and amended by*
9 *the Bureau of the Budget; That no member or employee of*
10 *said committee shall receive or expend local currencies for*
11 *subsistence in any country at a rate in excess of the maximum*
12 *per diem rate set forth in section 502(b) of the Mutual*
13 *Security Act of 1954, as amended by Public Law 88-633,*
14 *approved October 7, 1964; (2) that no member or employee*
15 *of said committee shall receive or expend an amount for*
16 *transportation in excess of actual transportation costs; (3)*
17 *no appropriated funds shall be expended for the purpose of*
18 *defraying expenses of members of said committee or its*
19 *employees in any country where counterpart funds are*
20 *available for this purpose.*

21 That each member or employee of said committee shall
22 make to the chairman of said committee an itemized report
23 showing the number of days visited in each country whose
24 local currencies were spent, the amount of per diem fur-
25 nished, and the cost of transportation if furnished by public

4

1 carrier, or if such transportation is furnished by an agency
2 of the United States Government, the identification of the
3 agency. All such individual reports shall be filed by the
4 chairman with the Committee on House Administration and
5 shall be open to public inspection.
